

How to play BrainBox

For 1 player

- Look at the card for ten seconds.
- Turn the card over and answer all of the questions (use a pen and paper to write down the answers).
- If all questions are answered correctly, keep the card.
- If any answers are incorrect, put the card back in the BrainBox.
- See how many cards you have after five or ten minutes.

Remember, all of the answers to the questions are on the picture side of the cards, so look carefully!

How to play BrainBox

For **2** or more players

- If you are the youngest player, take a card from the BrainBox and turn the timer over. Study the picture until the ten second timer runs out.
- Pass the card to another player and roll the die. You must then answer the appropriate question. (e.g. If you roll a two you must answer question two).
- The other player reads the question and your answer is checked by looking at the front of the card.
- If correct, you keep the card. If incorrect, you return the card to the BrainBox and the next player chooses a card.
- The player with the most cards after ten minutes wins!

Remember, all the answers to the questions are on the picture side of the cards, so look carefully!
